PLACEMENT REPORT - 2025

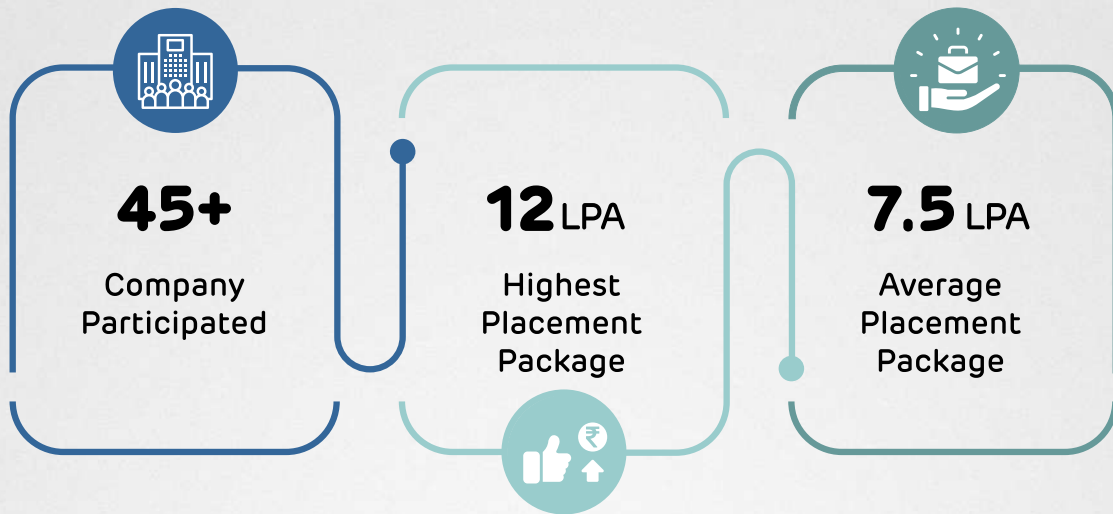

Overview

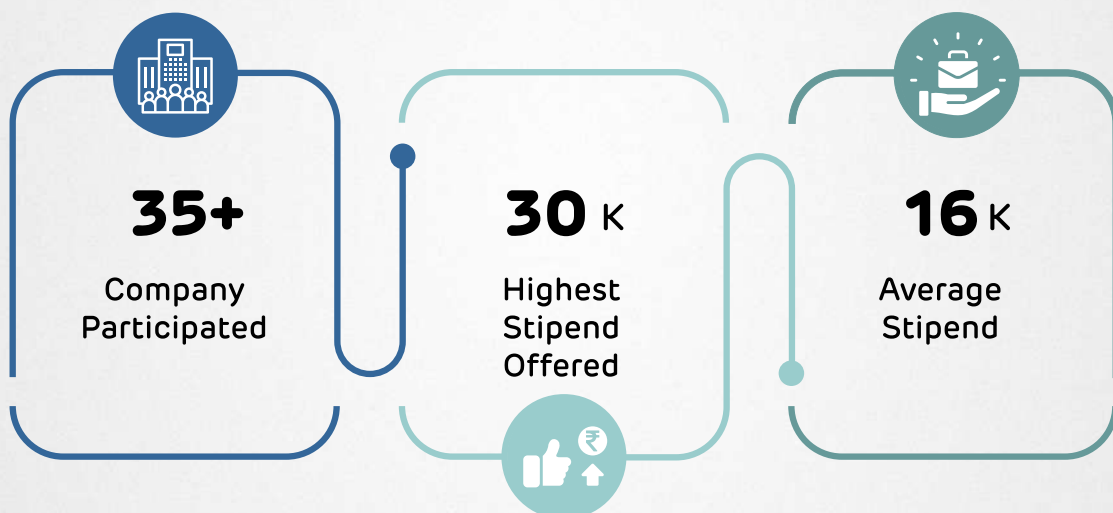

Our campus attracts 70+ national and global recruiters annually across infrastructure, EPC, consulting, real estate, logistics, oil & gas, power, asset management, finance, and auditing. Backed by an industry-aligned curriculum, strong corporate linkages, and the strategic advantage of being part of the Adani Group, our students consistently secure rewarding summer and final placements.

With a stellar placement record since inception, the highest package has reached 15 LPA, and the average stands at 7.5 LPA. Roles span consulting, business development, audit, HR, project management, research, finance, and compliance.
